Support Magistrate Kathryn Davies
Onondaga County Family Court RE: (FF# 24467 / Docket No: F-540-98)
401 Montgomery St.
Syracuse, NY 13202

Magistrate Davies,

I had received a pending Trial notice on this matter and it is currently scheduled for Dec. 12th. This creates a conflict with a Trial that was scheduled earlier for the same date. I have to appear in Village Court in Lyons for a trial on a traffic ticket caused by my suspended license. I ask the Trial be rescheduled for a later date. Also, earlier I had submitted my Objections to your last order regarding venue. It may be appropriate to delay this Trial until that is settled.

Respectfully yours,

John Murtari
