Dear Mr. Fitzpatrick:

On March 23rd, I submitted a complaint to an investigator on your staff, Mr. Michael Martinez. I did get a mail return receipt. Before submitting the complaint I had spoken with him on the phone. My allegation is that an Attorney had knowingly filed a false sworn affidavit in a Family Court proceeding.

Since that time I have called Mr. Martinez's phone number on two occasions a few weeks apart. I left him a phone number and asked him to contact me with any status info he might have. I have heard nothing.

I'm sure your staff is very busy, but I had expected to at least hear something in reply after a month had passed. I hope you will be able to give this matter your attention. Mr. Martinez should have my original sworn complaint – for quick reference it is also available via the web at: <http://www.AkidsRight.Org/support/complaint.pdf>

Thank you for your time.

Sincerely yours,

John Murtari
